The ORC Coordinator

THE ALBERTA LIBRARY

Background and Access Information

Learn Alberta's Online Reference Centre is a collection of authoritative curricular aligned resources that are licensed on behalf of all students, staff, parents and public librarians learning/teaching/supporting the Alberta curriculum.

To Access the Online Reference Centre:

1. Go to LearnAlberta.ca
2. Select English or French
3. Click on "Online Reference Centre" in the tab along the top of the screen
4. In school while on a school device, users do not need to enter a username or password. Users are able to enter any database or website instantly.
5. Access from a person device in school or remotely from outside of the school will require the user to enter a username/password once to unlock all of the resources.
 - a. School District Username: LA_____ Password: _____
(not case sensitive)
6. Please share your district's ORC username/password with your students, parents of your students and fellow staff members. Please do not share the username and password information on an open website (a website that does not require the user to login).

How to Use This Guide

Attached please find a listing of databases found on Learn Alberta's Online Reference Centre (ORC) that directly support specific learner outcomes in the social studies curriculum.

Formatting Overview:

Curricular Topic

Specific Learner Outcome (SLO)

Name of the Database

- Where to click or search
 - Other instructions to direct you
 - Article Title (with permalink where possible)
 - Article Sections if applicable(with permalink where possible)

For navigation, you may choose to use control F or the find tool to find keywords.

If you have any questions regarding this guide, notice a hyperlink that is broken, have recommended additions, or if you would like a guide for additional grades please contact the ORC Coordinator at orc@thealbertalibrary.ab.ca

Kindergarten Social Studies

Being Together
