

SCIENCE FORTUNE TELLER

Fold to help introduce PebbleGo or to have around as a fun end of day/lesson activity to explore PebbleGo science together!

INSTRUCTIONS:

1. Print and cut around outside of fortune teller
2. With text side up, fold bottom left corner to top right corner.
3. Repeat with bottom right corner and top left corner.
4. Open out, turn over so top is PebbleGo logo side, and fold each corner in to the middle.
5. Turn over and repeat.
6. Turn over so you see, "Where Will You Go?"
7. Slide your thumb and finger behind "Where" and "You" and press together so they bend around and touch
8. Repeat with the thumb and finger of the other hand for "Will" and "Go?"

AND YOU'RE READY! WHERE WILL YOU GO WITH YOUR PEBBLEGO FORTUNE TELLER?

WHERE
Forces and Motion
I wonder how we hear sound?

WILL
Light
I wonder how we see color?

YOU
Plants
I wonder where ferns grow?

GO?
Weather
I wonder how a tornado is made?

I wonder how fast snowflakes fall?

I wonder what is the smallest living thing?

I wonder what Saturn's rings are made of?

I wonder where volcanoes are?
